We have a strong
focus on students
and graduates

- We want our students to be challenged, successful and useful. We encourage them to collaborate, experiment and experience working life beyond the classroom.
- We provide a transformational student experience which underpins everything we do.
- 93% of undergraduate students complete a work placement or internship. We aim to make it 100%.
- We aim to have all of our students experience an international opportunity.
- We contribute to the social and economic development of Auckland, New Zealand, and the wider world through our graduates, research and innovation, and our engagements with industry and communities.

Students can choose to pay the fees for their programme of study with one of the options below:

- Standard Annual Tuition Fees option – you can pay just the amount detailed on the Offer of Place. We will guarantee that any tuition fees due in later years will increase by no more than 2% per annum provided you do not have a significant break in your study; or
- New Full Programme Tuition Fees option – you can pay for your entire programme of study tuition fees upfront, thus avoiding any tuition fee increases in later years. Please note that any break in study will result in fees being charged at the standard published rate for the year in which the continued study is undertaken.

The tuition fees are annual rates for full-time study in 2020 unless specified – students should expect and budget for fees increasing on an annual basis. The tuition fees shown are for planning purposes only and do not constitute a financial agreement. As at date of printing every attempt has been made to present accurate information. International students are also invoiced for applicable medical insurance, and student and building levies. For current and updated information please visit www.aut.ac.nz

AUT University reserves the right to change without notice programmes, programme intakes, fees, terms and conditions both before and after the student's admission.

Correct at time of print, October 2019.

Scholarships and awards

There is a wide range of scholarships and awards available to AUT students at all stages of their study.

Visit www.aut.ac.nz/scholarships for a current list of scholarships offered by AUT and external funders, as well as application forms and closing dates.

PhD study

A PhD can be undertaken in any of AUT's faculties. Within each faculty, specific research institutes are available. Visit www.aut.ac.nz/courses/doctor-of-philosophy

Student accommodation

Living in student accommodation is a great option – especially if you're in your first year of study or from outside Auckland. AUT's student accommodation is convenient and modern, just minutes away from our City or North Campus.

Visit www.aut.ac.nz/accommodation to find out more.

The Education (Pastoral Care of International Students) Code of Practice

AUT has agreed to observe and be bound by the New Zealand Government's Code of Practice for the Pastoral Care of International Students.
