## STUDY IN NEW ZEALAND; TAKE ON THE WORLD KIA ORA WELCOME TO EIT

EIT offers work-ready programmes to set you up with qualifications, skills and industry experience for the future. As one of New Zealand’s leading tertiary institutes in applied professional and vocational learning, we’re proud of our balanced approach to study that combines practice-based learning with academic theory to prepare you for global career success.

Delivering essential knowledge and skills for the workplace, our programmes will also teach you critical thinking, along with analysis and resilience for a future-proofed career. Our experienced lecturers are passionate about sharing their knowledge and expertise. Through our strong connections to a range of industries, we provide opportunities for real-world experiences to enhance our graduates’ employability.

We nurture our students to ensure they have the confidence to achieve. Small class sizes offer personalised learning and our student-centered facilities allow you to study with the best resources at hand. With campuses in Napier and Auckland, you can choose the city and lifestyle that suits you. We look forward to supporting you on your study journey and welcoming you to our beautiful part of the world.

# EXPERIENCE LIFE IN AOTEAROA NEW ZEALAND

With campuses in Napier and Auckland; which Kiwi lifestyle will you choose?

## NAPIER

Cycle trails, wineries, rivers and beaches make it easy to have fun in Napier, Hastings and the Hawke's Bay region. Art Deco weekend draws visitors from around the world, as does the outdoor concert at Mission Estate Winery. Enjoy the range of bars and cafés to meet friends and other students off-campus. Find out more: [www.hawkesbaynz.com](http://www.hawkesbaynz.com)

## AUCKLAND

The city centre's excellent shopping, restaurants, bars and galleries are surrounded by wine regions, stunning beaches, pristine rainforest and the magnificent Hauraki Gulf. Wherever you are in Auckland, from the Viaduct to Pokeno, from the Waitakere ranges to Mission Bay, you will find something special. Find out more: [www.aucklandnz.com](http://www.aucklandnz.com)

# SUPERCHARGE YOUR CAREER

## ON-CAMPUS AND ONLINE POSTGRADUATE STUDY

For students wishing to study at an advanced professional and applied level, EIT offers a range of postgraduate programmes in the fields of viticulture and wine science, computing, business, creative practice, nursing and health science.

Our postgraduate programmes enable experienced individuals to build on their existing knowledge and skills to take back into the work place and advance their careers.

Many of our postgraduate programmes give you the option to study either on-campus here in New Zealand or online from wherever you are in the world. You may also choose to start

your study online and pathway to on-campus study when you are able to travel to New Zealand.

Whether you choose to study on-campus or online, you can be confident in the quality of our teaching at EIT and our commitment to provide you with a rich and rewarding research-informed learning experience.

# PREPARING YOU FOR A REWARDING CAREER

The EIT academic portfolio has been developed to meet global industry needs. Our wide range of programmes is delivered through applied learning by expert lecturers and supported by hands-on industry experience.

## INDUSTRY ENGAGEMENT TO ENHANCE EMPLOYABILITY

Our mission at EIT is to prepare students like you for real jobs in the real world. We've designed our programmes with employability embedded directly into course content. From internships to work placements and industry-generated business projects, our students benefit from work-integrated learning that sets them up for the workplace.

The value we place on our industry partnerships is shown by the calibre of guest presenters we're able to provide for our student sessions, along with access to the latest research on trends and development through our membership of relevant industry associations.

Industry experiences are offered across all our programmes, for example:

- Business and computing students make site visits to our industry partners, attend symposia, and work alongside some of New Zealand's most exciting and fast-growing technology businesses.
- Viticulture and wine science students learn in an onsite vineyard and winery, sensory room and state-of-the-art laboratories.
- Nursing students are hands-on from day one with more than 1,000 hours of practical experience alongside a diverse range of health professionals.

## STRENGTH IN PROFESSIONAL APPLIED LEARNING

Employers want people who have practical skills, can solve problems and develop new ideas. Our lecturers are dedicated to supporting students to gain the skills, experience and confidence to build successful careers in their chosen fields.

EIT recognises the ever-changing needs of global industry and modern business. The programmes we offer have been developed by working closely with employers and industry leaders to reflect industry trends and employer requirements. This means that students like you leave EIT equipped with the qualifications and skills that are in demand throughout the world.

We support our students throughout their learning with workshops, orientation and more. Seminars, small group tutorials and individual consultations provide a deep understanding of workplace behaviours, cultures and expectations. We're behind our students one hundred percent to ensure they leave EIT with the confidence to launch their global careers.

"There is no doubt in my mind that the knowledge I gain from this Master's degree programme will assist me in moving forward in my career as a software engineer in the future. The programme will help me to use critical thinking skills to look at issues from a different perspective and provide better solutions. Further International exposure through working with international students will be an added advantage for my career."

**Nadeesha Mudiyanse, Sri Lanka**  
**Master of Information Technology**

# BUSINESS

Carve out that career you’ve dreamed of in the world of business.

Study with us and you’ll gain a competitive advantage by equipping yourself with one of our comprehensive qualifications. Develop skills in communication, management, accounting and marketing, and set yourself up for an exciting future in the stimulating and varied industry of business.

With a career in business, you’ll take your inquisitive mind to new heights. Enjoy constant learning, questioning and problem solving in this fast-paced and ever-changing industry.

- Benefit from our strong applied learning focus; an approach highly valued by employers.
- Enjoy practical experience with New Zealand employers through our work-based projects.
- Gain opportunities for progression to higher levels of study at EIT through our clearly defined pathways.
- Focus on success with our high staff-to-student ratio and supportive environment.

## CAREER OPPORTUNITIES

- |                         |                          |
|-------------------------|--------------------------|

# VITICULTURE & WINE SCIENCE

Embark on an exciting career in winemaking that is a magical blend of art, science, nature and creativity.

Launch yourself into an industry that has roots in the ancient world but is ever-changing for our modern times. With us, you’ll study grapegrowing and winemaking in New Zealand’s oldest and most diverse wine region.

A career in viticulture and wine science brings you a world of creativity and problem solving while working with the wonders of Mother Nature and science. This is a dynamic and exciting industry.

- Have the opportunity to gain work experience in the industry.
- Work in outstanding facilities including a purpose-built, modern teaching and research winery, a world-class sensory laboratory and a vineyard.
- Enjoy field trips and excursions while gaining knowledge and networking with specialists, winemakers and experts in the New Zealand wine industry.

## CAREER OPPORTUNITIES

- Winemaker
- Research & Development Technician
- Viticulturist
- Wine Marketer
- Wine Consultant
- Vineyard Manager

“After my graduation, I want to work in a vineyard and use all my knowledge gained in practice.”

**Evgeniya Kochkina, Russia**  
Graduate Diploma in Viticulture

**Find out more:** Individual programmes including entry requirements can be found on the EIT international programme information sheets at [eit.ac.nz/campus/international-students/international-programmes](http://eit.ac.nz/campus/international-students/international-programmes)

# COMPUTING

Discover the exciting world of computing and the wide range of opportunities available in this industry.

Information technology is the foundation of the 21st century economy. As an in-demand IT graduate you can take your skills anywhere in the world.

A career in computing offers a range of exciting opportunities from website and software development to user experience design along with consulting and management for high-flying companies.

- Gain a practical hands-on qualification designed to support your career growth in the fast-paced and constantly evolving IT industry.
- Enjoy new discoveries daily in a fast-paced and ever-changing industry.
- Find the perfect training ground in our information technology complex with networked computer labs and purpose-built labs for software development, hardware and multimedia.

## CAREER OPPORTUNITIES

- Website Developer
- Software Programmer
- Multimedia Developer
- Computer Technician
- IT Consultant / Manager
- Network Technician
- Systems Engineer
- User Experience Designer

I believe that my program and experiences at EIT will provide me with a well-rounded skill set and knowledge base that will be invaluable in my future career. The emphasis on real-world application and industry relevance ensures that I am well-prepared to meet the challenges of my chosen field.

**Talgat Narbaev, Kyrgyzstan**  
**Bachelor of Computing Systems**

**Find out more:** Individual programmes including entry requirements can be found on the EIT international programme information sheets at [eit.ac.nz/campus/international-students/international-programmes](http://eit.ac.nz/campus/international-students/international-programmes)

# CREATIVE & PERFORMING ARTS

Calling all creative minds, dreamers, big thinkers and vision makers!

IDEASchool is EIT's creativity powerhouse where inspiration is nourished and imaginations are expanded. We foster students of all disciplines to think creatively, act professionally and develop the technical skills needed to become practising creative professionals.

If you are a creative at heart with an inquiring mind, we have a range of exciting programmes to catapult you into a creative career. Explore a range of creative disciplines such as design, fashion, music, screen production and visual art.

- Enjoy excellent facilities including art, design, music, screen production and fashion studios as well as modern digital design labs.
- Take part in our end of year showcase, where students show their creative work to the public.
- Learn from recognised creative practitioners who exhibit, perform and publish throughout New Zealand and worldwide.

## CAREER OPPORTUNITIES

- Graphic Designer
- Artist
- Fashion Designer
- Technician
- Curator
- Musician
- Producer
- Film Technician
- Arts Manager or Administrator
- Spatial / Interior Designer
- Printmaker
- Illustrator
- Film Maker

"I like that there is creative freedom and space to experiment regarding what you want to achieve as a graphic designer."

**Yee Lin Gan, Malaysia**  
**Bachelor of Creative Practice**

"I wanted to step out of my comfort zone and studying at EIT has given me the opportunity to explore my personal design development and direction which will help me in my future career."

**Minjoo Kim, South Korea**  
**Bachelor of Creative Practice**

**Find out more:** Individual programmes including entry requirements can be found on the EIT international programme information sheets at [eit.ac.nz/campus/international-students/international-programmes](http://eit.ac.nz/campus/international-students/international-programmes)

# NURSING & HEALTH SCIENCE

“The lecturers are awesome and we learn something new every day. They work hard to teach us their knowledge as well as making the programme interesting. We are supported to give our very best to help others and reach our own goals.”

**Tino Savea, Wallis and Futuna, South Pacific, Bachelor of Nursing**

Make a positive difference in people’s lives with a career in nursing or health.

Choosing a health profession offers you rewarding, challenging and varied job opportunities. Gain hands-on practical experience, develop your skills and discover how you can have a real impact in our communities.

Bring your compassion, good humour and kind nature to the communities around you with a career in nursing or health science.

### CAREER OPPORTUNITIES

- Registered Nurse
- Clinical Nurse Specialist
- Health Services Manager
- Healthcare Assistant
- Occupational Hygienist
- Educator / Health Promotion Advisor
- Community Health Support Worker
- Research Assistant
- Clinical Laboratory Assistant

**Find out more:** Individual programmes including entry requirements can be found on the EIT international programme information sheets at [eit.ac.nz/campus/international-students/international-programmes](http://eit.ac.nz/campus/international-students/international-programmes)

# HEALTH & SPORT SCIENCE

Let your natural skill and passion shine in this exciting and diverse industry.

Guide people to health and sporting excellence or care for people as they face wellness challenges. This industry is extremely rewarding and is built on people who care.

Use your unique skills and passion to inspire, teach and guide people towards health, sport and wellness. Excite people with your knowledge and energy and help them with your compassion.

- Utilise our cutting-edge facilities at the EIT Institute of Sport and Health where students engage in project-based sport and exercise programmes. You'll also get experience in the superb Pettigrew Green Arena in Hawke's Bay.
- Connect with the local community through community-centred research activities led by our highly qualified research-focused faculty.

### CAREER OPPORTUNITIES

- Fitness Instructor
- Fitness Centre Manager
- Sports Coordinator
- Sport & Exercise Consultant
- Event Manager
- Health Promotion Advisor
- Health Services Manager
- Elder Health Specialist

“I really enjoy studying at EIT because I have learned a lot that I can use for my future career. The programme is very interesting and includes a broad spectrum of sports topics. Classes are small, so the lecturers have time to care for every student and they are highly motivated. If you need any kind of help at EIT, various friendly people are happy to assist. I am glad to have the chance to study in such a caring and motivating environment.”

**Hanna Wolf, Germany Bachelor of Sport and Exercise Science**

**Find out more:** Individual programmes including entry requirements can be found on the EIT international programme information sheets at [eit.ac.nz/campus/international-students/international-programmes](http://eit.ac.nz/campus/international-students/international-programmes)

# EDUCATION & SOCIAL WORK

Make a difference in the lives of others. Pursue a profession in high demand around the world.

Our programmes balance theory, research and practice. Students are given the opportunity to work alongside social workers in the community and experienced teachers in local early childhood settings and primary schools.

- Teaching can offer a great work-life balance and opportunities for personal development. It also provides a chance to develop, nurture and inspire young minds.
- As a social worker you'll work alongside individuals, families and communities to assess, advocate, recognise strengths and promote social justice.

### CAREER OPPORTUNITIES

- Early Childhood Teacher
- Primary School Teacher
- Social Worker

# ENVIRONMENTAL STUDIES

Equip yourself for a role in the exciting and ever-expanding world of environmental management.

Learn about ecosystems, conservation issues, sustainable management of land and plant life, as well as the management strategies that promote the conservation of biodiversity and address biosecurity.

As a biodiversity management student, you'll explore how ecosystems function and support biological diversity, and how managers of biodiversity are responding to increasing concern over the impact of human activities on the planet.

### CAREER OPPORTUNITIES

- Park Ranger
- Environmental Consultant/ Technician
- Conservation Officer
- Environmental Researcher
- Resource Management Adviser/Consultant

**Find out more:** Individual programmes including entry requirements can be found on the EIT international programme information sheets at [eit.ac.nz/campus/international-students/international-programmes](http://eit.ac.nz/campus/international-students/international-programmes)

# ENGLISH LANGUAGE

Gain the knowledge, confidence and practical experience you need to command the English language.

At EIT's English Language Centre, we have a proud reputation for excellence in teaching English to international students and new migrants to New Zealand. You'll be welcomed into a fully supportive environment and community and have the opportunity to flourish as your English develops.

Develop your understanding and passion for English through our programmes. We offer high quality courses and support you in your learning journey.

- Learn from highly qualified and experienced teachers.
- Gain entry to our mainstream academic programmes without sitting an IELTS test by successfully completing NZCEL.
- Enjoy our modern technology: large flat-screen TVs, video cameras, voice recorders and up-to-date computers and software.
- Experience our practical task-based learning including going out into the community.

“I have experienced huge progress in my second language which will be highly beneficial for my communication skills.”

**Carlos Aliaga, Chile NZCEL**

# OUR COMMITMENT TO PASTORAL CARE

The safety and wellbeing of all our students is important to us. We have a wide range of support systems, services and resources available to ensure our international students are cared for and supported during their time with us.

EIT is a signatory to The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021, (the Code). The Code is administered and monitored by the New Zealand Qualifications Authority (NZQA).

## HERE'S A SUMMARY OF THE CODE AS IT RELATES TO INTERNATIONAL STUDENTS.

Tertiary providers should ensure international students:

- are protected and supported from when they leave their home country, to when they finish their education journey
- are aware of their rights and protections
- feel safe and happy while studying in New Zealand
- are provided correct information through agents, who act professionally
- are aware of the terms and conditions of their enrolment.

## GET A COPY

View and download the Code here

[www.nzqa.govt.nz/providers-partners/tertiary-and-international-learners-code](http://www.nzqa.govt.nz/providers-partners/tertiary-and-international-learners-code)

# IMMIGRATION AND INSURANCE

## IMMIGRATION

New Zealand Immigration Service requires a student to have at least NZ\$20,000 in their bank account to cover living costs for one year of study, plus a return ticket to their home country or enough money to buy one. Full details of visa requirements, advice on employment rights in New Zealand while studying, living costs and reporting requirements are available through the New Zealand Immigration Service and can be viewed on its website at [www.immigration.govt.nz](http://www.immigration.govt.nz)

## MEDICAL AND TRAVEL INSURANCE

International students must have appropriate and current medical and travel insurance from the time they leave home until the expiration of their student visa. EIT can organise insurance for you with our preferred provider Studentsafe Insurance ([www.insurancesafenz.com/studentsafe](http://www.insurancesafenz.com/studentsafe)) brought to you by Marsh/Allianz. There is no insurance application paperwork to complete and insurance fees are included in the invoice along with tuition fees unless you have pre-existing medical conditions. Students with pre-existing medical conditions will need to apply for cover before leaving home.

Students should contact our Registry team as soon as possible if they decide to organise their own insurance as all insurance policies must meet a minimum standard of care and cover for Immigration New Zealand and Code of Practice requirements.

Most international students and their families are not entitled to publicly funded health services while in New Zealand. International students may be liable to pay the full costs of medical treatment in New Zealand. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on its website at

[www.health.govt.nz](http://www.health.govt.nz)

Students who do not choose EIT's insurance must show evidence of insurance prior to departure from their home country to be able to enrol.

## ACCIDENT INSURANCE

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but visitors to New Zealand may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at [www.acc.co.nz](http://www.acc.co.nz)

# SUPPORTING YOU TO SUCCEED

Joining our EIT community means that you will receive the support you need from pre-enrolment and orientation to making new friends, settling in, understanding academic requirements and career development.

## INTERNATIONAL STUDENT SUPPORT

Our International Student Support Officers are there to support you every step of the way. Providing you with the one-to-one help, advice, information and guidance you need to succeed.

## EXPERIENCES

Attending orientation provides the best start for students by helping them to thrive in their new environment. Orientation ensures all students have the right information in order to succeed in their study and enjoy their new adventure in New Zealand.

A further range of social events and experiences are organised throughout the year for students to participate in.

## ACADEMIC LEARNING SERVICES

Academic Learning Services are available to assist students throughout their study by providing free one-on-one support; for example, in regards to study planning, computing, academic writing, learning, exam techniques and mathematical and study skills.

## CAREER DEVELOPMENT AND INDUSTRY LINKS

Career planning and preparation is available to all students. EIT also has a dedicated Industry Partnerships Manager based at our Auckland campus. The Industry Partnerships Manager works closely with students to enhance their employability through interactive workshops, specialised employment coaching, visits to workplaces and providing in-depth industry research support.

## ACADEMIC INQUIRY COURSE

EIT offers a free essential academic skills course to assist students to transition into graduate level study. This is available at the start of your programme.

Key skills covered:

- Academic integrity
- Research skills, paraphrasing and referencing
- Critical reading, evaluation and analysis
- Team work
- Written and oral communication.

The course is delivered across disciplines. It provides a great opportunity to meet students on other programmes, both domestic and international.

Evidence shows that students who have taken this course find it easier to transition to the New Zealand learning environment and achieve greater academic success.

## EIT STUDENTS ASSOCIATION (YOUNITED)

EIT Students Association (Younited) runs a variety of student events throughout the year to assist students to get to know each other and become part of the EIT community.

[younited.ac.nz](http://younited.ac.nz)

# ACCOMMODATION

## NAPIER, HAWKE’S BAY

EIT Napier offers three accommodation options to international students – EIT Student Village, EIT-managed flats and EIT-managed homestay. Students are also welcome to make their own accommodation arrangements.

To view your options, please visit [eit.ac.nz/accommodation](https://eit.ac.nz/accommodation)

**Please note:** Spaces fill up very quickly. Accommodation fee payment is required to help secure a room.

## BOARDING ACCOMMODATION

Students are welcome to arrange their own private accommodation. Rent ranges from \$230 per week or more depending on location and if utilities are included.

## THE LIME TREE

The Lime Tree in Hastings offers a new, modern student lifestyle. It has a mix of spacious, comfortable single and twin share rooms with separate well-appointed bathrooms and open study areas. [www.thelimetree.nz](https://www.thelimetree.nz)

## AUCKLAND

There are many different types of accommodation available for international students in Auckland. EIT Auckland has identified two accommodation options that may be suitable for students: homestay with a New Zealand family or flatting at one of our partner apartment complexes.

Our staff can help with the arrangements for your accommodation: [accommodationak@eit.ac.nz](mailto:accommodationak@eit.ac.nz)

For EIT student support in Auckland: [akstudentsupport@eit.ac.nz](mailto:akstudentsupport@eit.ac.nz)

## HOMESTAY

A homestay offers students a chance to stay in a house with a New Zealand family. Locations vary within the wider Auckland region. Bookings are arranged through a homestay company, Host Families NZ. [www.hostfamilies.co.nz](https://www.hostfamilies.co.nz)

## APARTMENT COMPLEX

A popular option for apartment-style accommodation is the Empire Student Apartment Complex. Contact EIT Auckland for bookings. [www.empireapartment.co.nz](https://www.empireapartment.co.nz)

	EIT STUDENT VILLAGE	HOMESTAY	FLATS ON YORK	FLATS ON GLOUCESTER
Capacity	12 villas with 6 bedrooms (capacity of 72 people)	More than 40 hosts (capacity of 55+ people)	5 flats with 2 bedrooms in each, up to 4 people per flat	6 flats with 2 bedrooms in each

# ACADEMIC ENTRY CRITERIA

The minimum academic requirements for entry into our programmes can be viewed on the Programme Information sheets available on the website at [eit.ac.nz/campus/international-students/international-programmes](https://eit.ac.nz/campus/international-students/international-programmes)

If you have any questions about EIT’s recognition of qualifications from your country, contact EIT International or your agent.

# ENGLISH LANGUAGE REQUIREMENTS

Below is a guide to the minimum English language requirements that qualify a student for enrolment at each programme level.

Some programmes at EIT may vary from the requirements listed below. For specific details, please refer to the individual programme entry requirements or contact us. Please also note that the English language proficiency outcomes listed below must have been achieved no more than two years before the enrolment date into your programme.

LEVEL OF STUDY	MINIMUM ENGLISH LANGUAGE REQUIREMENTS					
	IELTS	TOEFL Internet-based test (IBT)	OET	NZCEL	Pearson Test of English (Academic) - PTE	Language Cert
Certificate at Level 3	Academic score of 5 with no band score lower than 5	Score of 35 (with a writing score of 14)	Minimum of Grade C or 200 in all sub-tests	Level 3 Academic	PTE (Academic) score of 36 with no band score lower than 36	B1 Achiever International ESOL Written (LRW) PASS with no less than 25/50 in each skill and Spoken (S) PASS

# FEES EXPLAINED

## TUITION FEES

Our programme tuition fees are outlined with the corresponding programme information on pages 5 and 7. The tuition fees listed are for 2025 programmes.

**Please note:**

- The tuition fees listed are annual fees unless otherwise stated.
- Tuition fees include Goods and Services Tax (GST).
- Some programmes may have additional course-related costs. Please check individual programme information on our website for course-related costs not included in the tuition fees.
- English Language additional costs: e.g. IELTS exam entry fees.
- International tuition fees are reviewed each year. If a student is accepted into a programme of study that is longer than one year in duration, the fees in the second and subsequent years will not be known when the student first applies and enrolls. There may be a slight increase.
- EIT reserves the right to increase tuition fees for the subsequent semester/year. We aim to inform students what the tuition fees for subsequent years are prior to enrolment for their subsequent semester/year.

## OTHER FEES

### STUDENT SERVICES LEVY

All students also pay a Student Services Levy. This covers student services provided to all EIT students, such as sport, recreation and cultural activities, student advocacy etc. The 2025 Student Services Levy is \$378.00 for the full academic year.

Students who are only studying for a portion of an academic year will be charged the Student Services Levy on a pro-rata basis. The Student Services Levy will be identified in your invoice.

### TEXTBOOKS AND STATIONERY

Textbooks and stationery may be required for specific programmes. If required, students will receive a textbook list once they enrol in their courses and depending on the programme, textbooks can cost between \$500 and \$1,000 per semester. For programmes that do not require students to purchase any specific textbooks, New Zealand-specific content will be provided on the online study platform, EIT Online.

## EIT INTERNATIONAL STUDENT REFUND POLICY

For full details on our refund policy for international students, please see our website

[eit.ac.nz/campus/international-students/policies/](https://eit.ac.nz/campus/international-students/policies/)

## LIVING COSTS

- The cost of living in Napier is generally cheaper than the larger cities in New Zealand. Students will need to budget their weekly expenses. Students may spend more or less depending on their individual circumstances, but EIT staff members are also available to assist with budgeting information. It may take some time to secure a part-time job (if students are eligible to work in New Zealand), therefore it is important for students to have enough funds to cover living expenses for several months.

## FREE FOR OUR INTERNATIONAL STUDENTS

- Airport pickup from Napier. This service is for international students who move into homestay or other EIT arranged accommodation.
- EIT provides placement in EIT-managed accommodation in Napier for those students who apply for this service. No application fee. This service is not provided for Auckland.
- Orientation programmes are run at key entry points and are mandatory for all newly enrolling international students.
- Social events are scheduled throughout the academic year.
- Academic inquiry course for postgraduate students.

**Disclaimer** The information contained in this Prospectus is correct at the time of production (November 2024). EIT reserves the right to cancel or postpone any of the programmes, and shall not be liable for any claim other than the proportion of programme fees that the cancelled portion bears. Some programmes may be dependent upon formal approval from NZQA (New Zealand Qualifications Authority), TEC (Tertiary Education Commission) funding allocation, and the number of enrolments. As part of the NZQA targeted review of all Level 1-6 New Zealand qualifications, there may still be changes to some programmes starting in 2025. Fees, programmes, entry and selection criteria, and dates, are subject to change. Please check the relevant programme pages at [eit.ac.nz](https://eit.ac.nz) for up-to-date information and full entry regulations before applying to enrol. Information regarding English language requirements is available on each course page at [eit.ac.nz/campus/international-students/](https://eit.ac.nz/campus/international-students/)

# READY TO APPLY? IT'S EASY!

## COMPLETE AND SIGN OUR INTERNATIONAL STUDENT APPLICATION FORM.

### You can apply online at [eit.ac.nz/apply-online-international](https://eit.ac.nz/apply-online-international)

- Indicate which programme you intend to study.
- Attach a verified copy of your birth certificate or passport to use as identification.
- Remember to include all other supporting documents.

We will assess your application and let you know the outcome as soon as possible, usually within three to five working days.

### ON-CAMPUS STUDY IN NEW ZEALAND

1

**PAY YOUR FEES**

After submitting your application, you will receive an Offer of Place letter by email with details of your tuition and other fees payable.

**Please note:** If you have applied using the services of an agent, a copy of this information will also be sent to your agent.

✓ Pay your fees and apply for your student visa. We will send you a receipt, which you will need when you apply for your student visa.

We recommend you apply at least 12 weeks before your intended start date. You can apply online at [www.immigration.govt.nz](https://www.immigration.govt.nz)

If you have any questions about the process, contact your agent or email [visas@eit.ac.nz](mailto:visas@eit.ac.nz)

2

**PREPARE TO COME TO NEW ZEALAND**

✓ **BOOK YOUR FLIGHTS.**

When your student visa is approved, book your flights and ensure you meet all government-mandated entry requirements to come to New Zealand. Check the Immigration New Zealand website for the most up-to-date information.

✓ **ORGANISE YOUR ACCOMMODATION.**

If you haven't already organised your accommodation, you should now decide which of the accommodation options is most suitable for you (see page 18 for more information).

3

**CONNECT WITH US**

✓ Be sure to complete and submit the arrival form sent to you by the International Student Support Officer.

Your International Student Support Officer will contact you prior to the start of your programme to let you know what you need to do and keep you up to date on what to expect when you arrive.

### ONLINE STUDY

1

**ENROL**

After submitting your application, you will receive your acceptance into the programme by email alongside instructions on how to enrol.

✓ Complete and sign the enrolment form provided to you by our Admissions Team and send it back to [internationalapplications@eit.ac.nz](mailto:internationalapplications@eit.ac.nz)

**Please note:** If you have applied using the services of an agent, a copy of this information will also be sent to your agent.

2

**CHOOSE YOUR COURSES AND PAY YOUR FEES**

Your course selection form will be sent to you by our team.

After completing your course selection form, you will be sent an invoice. You can then pay your fees by bank transfer to EIT's account. Full account details and payment information will be provided on your invoice.

3

**CONNECT WITH US**

Your International Student Support Officer will contact you after you enrol to keep you up-to-date with anything you need to know, including details about your Orientation, where you will meet your classmates and all about studying at EIT.

Whether you join us on-campus or online, we welcome you to the EIT student community!

If you need any help you can contact our friendly staff at [international@eit.ac.nz](mailto:international@eit.ac.nz)
